The Polyester & Cotton Speedy Mop Head is mainly used for wet mopping in medium dirty floors (internal cleaning floors of hotels, houses, offices, hospitals, etc). Ideal for the cleaning of corners and vertical walls.

› Two-holes flaps in order to grant a better fixing system of the flap to the frame.
› Looped end inside yarn which grants a longer lige of the mop head: non-fraying and -linting possibility.
› Outside cut yarn which avoids knotting and possible obstacles in the cleaning area.
› No latex.
