

Broom for Jobby Dustpan

Art No	FCFIJH00118
Uses	For manual dry floor dusting
Length	80 cm
Color	Red
Country of Origin	Italy

The Broom with 80 cm handle is used in combination with the jobby dustpan thanks to its ergonomic grip. The design makes the broom very light and suitable for operations when the speed is required.

The angle cut broom allows to clean all corners, edges and most tough-to-reach places. It is light weight and practical, thanks to its handle which allows its use with just one's hand.

Intercare Floorcare guarantees the quality of the product . Its application recommendations are based on the test and practical experience . we accept no responsibility for damage caused through improper use of the product .
