

Jobby Dustpan

Art No FCFIJH00533/483

Material Plastic with Aluminium handle

Uses For any kind of environments where dusting and sweeping are required

Country of Origin Italy

The Jobby Dustpan with aluminium handle, ergonomic grip and cover is ideal for any kind of environments where dusting and sweeping are required. Thanks to its reduced dimensions it can be set also in small places. It is made of shock-proof plastic material and equipped with a plastic cover and a rubber blade to ensure the best floor contact and make dust collection easier.

- › Handy: the swivel dustpan with particular T-bar locking facilitates the upright carrying .
- › Ergonomic plastic grip for a better catch.
- › Reduced overall dimensions when it is completely closed.
- › The possibility of setting it upright keeps any rubbish inside during its transportation .

Intercare Floorcare guarantees the quality of the product . Its application recommendations are based on the test and practical experience . we accept no responsibility for damage caused through improper use of the product .
