Sally Plastic Container with cover and pedal is suggested for waste collection. It is ideal for any environment.

- › 17 Ltrs container for waste collection, completely made of recyclable polypropylene.
- › Pedal opening of the cover which avoids the use of one's hands.
- › The pedal is internal the container structure so to reduce the overall dimensions.
- › Round and smooth surface for an easy cleaning.
- › Equipped with a bag-stretcher and a small cage for deodorant pills.
- › Possibility to fix it to the wall thanks to a Rilsan coated support.

Intercare Floorcare guarantees the quality of the product . Its application recommendations are based on the test and practical experience . we accept no responsibility for damage caused through improper use of the product .
