

Wooden Broom Handle 150 cm

Art No	FCFIJH00526
Material	Wood
Length	150 cm
Uses	for brooms and mops wherever dry cleaning process is required
Country of Origin	Italy

The wooden Broom Handle is suggested to be used for brooms and other tools, the universal size of the diameter (24 mm) with screw and hole make it suitable for all floor cleaning tools (recommended only for dry cleaning).

- › Can be used as handle for floor squeegee, for brooms and mops wherever dry cleaning process is required.
- › The hole and the screw allow the use of tools with both screw systems and the one with fixing clip and hole.
- › Recommended for dry floor cleaning.
