

Abrasive Pad Holder

Art no	FCFIJH00115
Material	Plastic
Uses	To remove very tough dirt better thanks to the higher pressure on the surface
Size (cm)	23.5 (length) x 10 (width)
Country of Origin	Italy

The plastic Abrasive Pad Holder is advised to be used before washing and wet cleaning to remove very tough dirt better thanks to the higher pressure on the surface. It makes ceiling and walls cleaning easier.

- › Its universal joint with screw allows the use of any handle with diameter from 20 till 24 mm.
- › The small hooks under the frame help holding the pad.
- › Locking pin to prevent the handle from turning in use.
- › Ergonomic cleaning, no bending.

Intercare Floorcare guarantees the quality of the product . Its application recommendations are based on the test and practical experience . we accept no responsibility for damage caused through improper use of the product .
