Material	Microfiber
Uses	floor dusting, floor mopping (damp or wet) and floor waxing
Size (cm)	50 (length) x 16 (width)
Country of origin	Italy

The Microfiber Speedy Mop Head is ideal for floor mopping with medium/low dirty floor. Suggested for interior floor mopping (hotels, houses, offices, hospitals, etc.). To be used for floor dusting, floor mopping (damp or wet) and floor waxing.

- › It removes easily the dirt without friction on the floor – high absorbing capacity.
- › Thanks to a particular twisting process, this twisted yarn keeps its shape even after many washing cycles with low linting.
- › It leaves no mark or trace thanks to the particular structure of the fibers.
- › Less solution needed thanks to its yarn composition.
- › Two-holes flaps in order to grant a better fixing system of the flap to the frame.
- › No latex.
