

Rapido Microfiber Mop Head 87 cm – White

Art no	FCFIJH00493
Material	Microfiber
Uses	for wet mopping and disinfection in medium dirty floors
Size (cm)	87 (length) x 10 (width)
Country of origin	Italy

Rapido Microfiber Mop Head is mainly used for wet mopping and disinfection in medium dirty floors Suggested for cleaning inside floors (hotels , houses , offices , hospitals , etc).

- › It removes up to 99,98% of bacteria and fungi.
- › Thanks to its structure, the microfiber absorbs more due to its yarn capillarity and it covers a wider cleaning area.
- › It cleans much quicker and with the minimum effort, if compared to traditional mops.
- › Microfiber traps and absorbs any finest particle of dirt leaving a clean surface, without smearing and scratches.
- › It guarantees excellent cleaning results thanks to its very thin fibers which can penetrate all micro pores of surfaces.
- › Particular twisting process, this twisted yarn keeps its shape even after many washing cycles with low linting.
- › Velcro support: it is an innovative unshrinkable material which is non-linting and does not fade keeping its characteristics unaltered.
- › No latex.
