The White Microfiber with Cotton and Polyester Mop Head is indicated for dusting of all kind of floors. It can be used with the suitable plastic frame.

- › Velcro support: it is an innovative unshrinkable material which is non-linting and does not fade keeping its characteristics unaltered.
- › Innovative wet mopping system thanks to the combination of three different textile yarns: microfiber, cotton and polyester.
- › The structure of these three yarns assures maximum results in cleaning.
- › No latex.

Intercare Floorcare guarantees the quality of the product . Its application recommendations are based on the test and practical experience .  
we accept no responsibility for damage caused through improper use of the product .
