The Compact Auto cut hand towel dispenser is ideal for environments where hygiene is paramount. The system delivers pre-measured flat sheets of paper towel ready to use, minimizing the risk of cross contamination as only the paper is touched not the dispenser. This low maintenance mechanical dispenser can fit almost all types of paper rolls – 1 ply, 2 ply, 3 ply.

- › One of the smallest auto cut units in the market that runs standard size paper towel rolls.
- › Low pull force – the 0.5 kgf pull strength allows the use of a low grammage paper without tabbing.
- › The smallest drying service (pre-measured towel sheet length) in the market – 23.5 cm.
- › The cutting blade is made of a special compound which re-sharps itself every time it cuts the paper.
- › The cutting mechanism can be easily extracted for cleaning and maintenance.
- › Choice of window colours.
