

Acrylic Floor Polish 5 Ltrs

Art No CHFCFC00001

Uses Recommended for use on PVC, Linoleum, Marble, Vinyl Asbestos, artificial stone and smoothly polished stone floors

Content 5 Ltrs

Country of Origin UAE

Acrylic Floor Polish is a high solids, metalised dry-bright floor polish with long lasting deep shine.

Why Acrylic Floor Polish ?

- › Excellent resistance to dirt, detergent and scuff marks.
- › Recommended for use on PVC, Linoleum, Marble, Vinyl Asbestos, artificial stone and smoothly polished stone floors.

How to use Acrylic Floor Polish ?

Thoroughly strip old wax and polish layers, rinse well, wet vacuum and allow the floor to dry completely. Use undiluted with a clean mop or polish applicator. Allow to dry completely before applying second coat. Buffing will improve the gloss and wear properties.

Intercare Chemicals guarantees the quality of the product . Its application recommendations are based on the test and practical experience .
we accept no responsibility for damage caused through improper use of the product .
