An advanced hand towel gives a good hand drying and has a nice grey white decor embossing. It is developed for easy maintenance in high traffic washrooms (washing areas), kitchens, pantries and hospitals (for wiping hands), schools and malls (for hand drying), offices and hotels. It saves time and controls consumption by one-at-a-time sheet dispensing.

- › It dries hands with less consumption (single-sheet dispensing), suitable for washrooms where reducing the consumption is required.
- › The universal size of Auto Cut Paper Rolls fits most of the auto cut dispensers in the market.
