2. Composition/Information on ingredients		
Sodium Lauryl Ether Sulphate 9004-82-4 4.00 - 20.00		
Coconut Fatty Acid         61791-31-9         1.00 - 10.00           Sile A Sile Acid         627.02.0         0.00.5.00		
Ethyl Glycol Stearate         627-83-8         0.00 - 5.00		
Para Chloro Meta Xylerol         52-51-7         0.00 - 5.00		
Water         7732-18-5         75.00 - 90.00		
3. Hazard Description		
Inhalation None		
Skin Contact None		
Skin Absorption None		
Eye contact Irritant		
Ingestion Irritant to mouth and digestive system		
4. First-Aid Measure		
General Advice Provide this SDS to medical personnel for treatment. Always get n	nedical	
attention when product is swallowed or when symptoms are sign		
or persist.	meane	
In Case of eye contact Rinse with plenty of water. If irritation persist seek immediate mediate	dical halp	
	Is intended to be skin cleanser. If irritation occurs, discontinue use.	
In Case of Inhalation Not and expected route of exposure.		
In Case of Ingestion If patient is conscious and alert, dilute by drinking large quantities		
Allow vomiting to occur if patient is conscious and alert, then get		
medical attention.		
Most important symtoms and effects		
Symtoms If in eyes: Burning sensation, watering or redness.		
If swallowed: Possible gastrointestinal irritation or disturbance.		
Indidication of any immediate medical attention and special treatment needed :		
Notes to Physician Treat symptomatically.		
5. Fire-fighting Measures		
Suitable extinguishing agent Use extinguishing media suitable for surrounding fire		
	or	
Specific Hazard arising from the chemical This is a water based non-flammable product with no known fire of	UI	
explosion hazards.		
Hazardous Combustion products Carbon oxides		
Protective Equipment and precautions for As in any fire, wear self-contained breathing apparatus pressure-	As in any fire, wear self-contained breathing apparatus pressure-demand,	
firefighting and full protective gear.	acmanu,

## Intercare Chemicals Ltd.

## SAFETY DATA SHEET

HAND CREAM ANTIBACTERIAL

6. Accidental release Measures		
Personal precautions	Use personal protective equipment.	
Environmental precautions	Keep spills and cleaning runoff out of municipal sewers.	
Methods of cleaning Incase of minor spill, wash away with large amount of wate		
	Incase of major spill, absorb the spill by sand or sawdust and dispose off securely	
	Rinse and wash any residue left and ensure not to dispose in river or stream	
	containing potable water.	
7. Handling and storage		
Precautions on safe handling	Handle in accordance with good industrial hygiene and safety practice.	
Conditions for safe storage including a	Do not contaminate water, food or feed.	
Conditions for safe storage, including a	-	
Storage Conditions	Keep out of reach of children	
Incompatible Materials	None known based on information supplied	
Usual packaging	4 x 5 ltr/case, 6 x 1 ltr/case	
Storage	Storage temperature 0-50°C	
8. Exposure controls/personal protection		
Hand Protection	Not required.	
Eye Protection	Safety glasses to be used while handling the product.	
Other Clothing and equipment	Normal coveralls.	
General Hygiene Considerations	Do not get into eyes. Protect food and drink from contamination	
	by product	
9. Physical and chemical properies		
Physical State Yellowish viscous	uid	
Boiling point °C	Melting point °C	
Specific Gravity(H2O=1) 1.	Vapour Pressure n/a	
Vapour Density (Air=1) n	Solubility in water % by weight 100	
%Non-volatile content	Evaporation Rate (Butyl Acetate=1) n/a	
pH value (Neat) 7.		
10 Stability and Departicity		
10. Stability and Reactivity	Not reactive under named conditions	
Reactivity	Not reactive under normal conditions	
Chemical stability	Stable under recommended storage conditions	
Possibility of Hazardous Reactions	None under normal processing	
Conditions to Avoid	Keep out of reach of children	
Incompatible Materials	None known based on information supplied	
Hazardous Decomposition Products	Carbon dioxide (CO2), Sulfur dioxide.	
11. Toxicological Information		
Information on likely routes of exposur Product Information		
Eye Contact	May cause mild eye irritation	
Skin Contact Inhalation	None, this product is a skin cleanser	
וווומומנוטוו	Under normal conditions of intended use, this material is not expected to be an inhalation hazard	
Ingestion	expected to be an innalation nazard Possible gastrointestinal irritation or disturbance.	
ingestion	rossiste gastrointestinarinnation or distarbance.	
Delayed and immediate effects as well	hronic effects from short and long-term exposure	
Carcinogenicity	This product does not contain any carcinogens or potential	
Numerical measures of toxicity	carcinogens as listed by OSHA, IARC or NTP Not determined	
12. Ecological Information		
	The product is not expected to be hazardous to the environment	
	The product is not expected to be nazardous to the environment	
Exotoxicity Persistence/Degradability	Not determined	
Persistence/Degradability	Not determined	
	Not determined Not determined Not determined

13. Disposal Considerations				
Waste treatment methods				
Disposal of waste	Disposal should be in accordance with applicable regional, national and local laws and regulations.			
Contaminated Packaging	Disposal should be in accordance with applicable regional, national and local laws and regulations.			
14. Transport Information				
Dangerous Goods ADR	Not dangerous for transport. Not regulated			
Dangerous Goods IMDG	Not Regulated. Not dangerous for transport.			
Dangerous Goods ICAO/IATA	Not Regulated.			
15. Regulatory Information				
Risk phrases	None			
Safety phrases	Safety glasses while handling.			
	Normal coverall.			
16. Other Information				
Declaration	This information provided in this Safety Data Shee	t is correct to best of our		
	knowledge. The information given is designated only as a guidance for safe			
	handling, use, storage, processing, transportation, disposal and release. However			
	it does not constitute a gurantee expressed or for any specific product feature.
