The wiping perforated maxi roll is an effective solution for wiping uses where high hygienic standards are required (the users will touch only the paper that they use) such as kitchens, food preparation areas, hospitals, hotels, clubs and gyms. It is specialized to be used in a centrefeed roll dispenser.

- › Reduce the consumption with perforated rolls (sheet-by-sheet dispensing).
- › It is operable with one hand which makes your life easier.
- › Universal roll size fits most of the dispensers in the market.
- › It is strong enough to perform extra absorbent which gives it quick dry technology.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .
we accept no responsibility for damage caused through improper use of the product .
