Bambina is a 13.2 gallon pedal operated diaper bin with a built in odor control system. Developed in response to market demand for a robust and aesthetically pleasing pedal operated bin, Bambina incorporates a host of practical service and user friendly features.

#### Why Bambina Baby bin with pedal ?

- › The unit has a large waste holding capacity while remaining compact, modern and attractive in design.
- › It is pedal operated to ensure maximum hygiene and has a removable hygienic bin which protects the inside of the unit from soiling and can be removed for easy cleaning.
- › A unique built-in odor control system has also been incorporated to make the end user experience more pleasant.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .

we accept no responsibility for damage caused through improper use of the product .
