

# Biological Urinal Blocks Citrus Fragrance – 3 Kgs

Art No	FCBICO00001
Uses	to eliminate the malodorous and blockages in urinals, It is Fast acting, water soluble and give long lasting freshness with citrus fragrance
Content	3 Kgs
Country of Origin	UK

Biological Urinal Blocks are specially formulated to eliminate the malodorous and blockages in urinals. They contain powerful biological cleaning agents and enzymes. Biological Urinal blocks are environment friendly and fully biodegradable. They do not contain paradichlorobenzene (PDCB). They are safer to use and store than conventional urinal blocks.

#### Why Biological Urinal Blocks Citrus Fragrance ?

- › Contain special active enzymes that clean and deodorise urinal traps and pipes.
- › Fast acting, water soluble and give long lasting freshness with citrus fragrance, as enzymes eat up malodorous-causing bacteria.
- › Prevent blocked traps and pipes.
- › Clean and leave a fresh citrus odor to the washroom.

Intercare Chemicals guarantees the quality of the product . Its application recommendations are based on the test and practical experience .  
we accept no responsibility for damage caused through improper use of the product .
