Intima was developed in response to market demand for an aesthetically pleasing, robust and serviceable feminine hygiene unit. In just a short length of time Intima has become the market leading feminine hygiene unit. The unit provides 23 liters unit waste holding capacity in a sleek, modern and compact design with minimal floor obstruction. Intima can be used for liner and bin exchange service and embodies exceptional functionality, quality and unique service friendly features.

Why Intima Chrome Lady Bin with Sensor ?

- › Innovative reversible cover eases location in cubicle.
- › Designed throughout to minimize dirt traps.
- › Flexible liner system for easy liner fitting.
- › Electronic no-touch models for hands-free operation.
- › Snap in/out protective flap inset protects against soiling and aids super fast and hygienic service.
