A centre pull paper towel dispenser for washroom, kitchen and hospitality environments. The unit accommodates any centre pull paper roll with a diameter of 210 mm and width of 230 mm. Kennedy Maxi Roll Dispenser comes with a patented adjustable tension ring, to create the right tension for paper types of different thicknesses to be dispensed in a controlled way.

Why Kennedy Maxi Roll Dispenser ?

- › The unit can be secured with the standard key or can easily be converted for keyless opening using the opening knob that is included with the product.
- › Translucent cover allows for fast refill status checks by staff.
- › Hinged cover for convenience and speed of service.
- › Single use hand drying dispenser.
- › Universal refill size fits most of the paper refills in the market.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .
we accept no responsibility for damage caused through improper use of the product .
