Spray Buff is a floor polish maintainer carefully formulated to use along with floor buffing and polishing machines.

#### Why Spray Buff ?

- › Spray Buff is a fruity scented ready to use spray emulsion that is specially formulated for use with high speed machines.
- › This repairs and restores the polished surface, removes traffic marks and water soluble solids and produce high gloss.
- › It prolongs the life and appearance of polish.
- › It is a low viscosity translucent liquid with a fruity odor.

#### How to use Spray Buff ?

Using handheld spray device to spray the product on the polished floor and buff the floor with a high speed buffing machine (400-2000 rpm) using red pad.
