System	Glue board
Power	22 Watts
Size (mm)	270 (height) x 270 (width) x 135 (depth)
Coverage	40 m ²
Country of Origin	UK

Aura 22 Insect Killer is a stylish flies trap, providing a discreet way to clear your house or business of bothersome flies. Great for hotels, restaurants, bars and cafes, the trap's circular design allows the UV light that attracts the flies and other flying pests all around the unit, a full 360° degrees, unlike competing fly lights. This works perfectly with the glue board that comes with the fly light as well, using 100% of the board for trapping area while keeping it hidden from outside view, particularly from customers.

Why Aura 22 Insect Killer ?

- › Contemporary detailing and elegant clean lines.
- › Beautifully polished facade.
- › Slim design ensures that the unit is unobtrusive.
- › 100% useful glue board area ensures maximum efficacy.
- › Ensures compliance with food hygiene legislation and protects clientele from flying pests.
- › 1 PC of glue board with screws for wall & ceiling mounting are provided along with each unit.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .
