A good solution for high traffic places where quality and consumption reduction are required. It is to be used in washrooms (washing areas), kitchens, pantries and hospitals (for wiping hands), schools and malls (for hand drying), offices and hotels.

#### Why Soft Interfold Hand Towel Tissue 2 Ply ?

- › Good Quality: thicker with 2 plies (for more absorbent).
- › The universal size fits most of the dispensers in the market.
- › Reduce the consumption by one-at-a-time dispensing.
- › Cost effective for 2 plies hand towels.
- › Suitable for general needs such as public washrooms.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .  
we accept no responsibility for damage caused through improper use of the product .
