The Tork Mini Centrefeed Roll Dispenser in Elevation Design is a compact versatile solution for professional environments where both hand and surface wiping are required. Wipe surfaces quickly due to the unrestricted flow feature that allows users to take as much as their tasks require. Elevation dispensers have a functional and modern design.

Why Tork Mini Centrefeed Roll Dispenser ?

- › One-hand operation makes it easy to use.
- › Reduced cross-contamination risks because users only touch what they use.
- › Improved overall hygiene due to easy cleaning.
- › The versatile lock mechanism helps to control misuse.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .

we accept no responsibility for damage caused through improper use of the product .
