

Flexi Ridge

Hard-wearing ribbed matting ideal for standing work areas, production lines and packing stations.

Flexi Ridge’s ribbed surface withstands light spills, protects delicate items and provides cushioning underfoot, making it ideal for workplaces where employees are on their feet and tools are in frequent use.

This excellent multi-purpose product provides good slip resistance, reduces the impact of noise and protects delicate items and tools from damage if dropped. Thanks to the mat’s ribbed surface, It’s also easy to maintain – the integral ridges means any liquid is easily dispersed, and the smooth surface can be wiped down.

Features:

Ribbed surface	High component and noise protection	Vinyl composition	Made from flexible PVC	Supplied in a convenient roll format

Benefits:

Good slip and wear resistance	Reduces risk to tools and delicate items if dropped	Resistant to chemicals, acids and oils	Easy to cut to fit on site; contours to uneven surfaces	Quick to install

Flexi Ridge
