Tork PeakServe in Elevation design: the latest innovation designed for high-traffic washrooms where staff needs to maximize cleaning time and maintain a good flow of people. Compatible with Tork PeakServe Continuous hand towel dispenser, the system has a very high capacity of over 2100 towels, which can be dispensed quickly and without interruption to keep the flow. The compressed refills are fast to fill, can be topped up at any time and are easy to store and transport, enabling staff to focus on cleaning, not refilling. Elevation dispensers have a functional and modern design.

Why Tork PeakServe Continuous Hand Towel 1 Ply ?

- › Continuous hand towels dispense smoothly, even between bundles, for a better washroom flow with no hold ups for guests.
- › Compressed hand towels for increased capacity, reducing maintenance time required.
- › Economic sized and one at-a-time dispensing to reduce consumption.
- › Easy Handling Carry Packs with hand towels compressed by 50% for efficient handling, transport and storage.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .
