Country of origin	Germany

Tork PeakServe is the latest innovation designed for high-traffic washrooms where staff needs to maximize cleaning time and maintain a good flow of people. Compatible with Tork PeakServe Continuous hand towels, the system has a very high capacity of 1230 towels, which can be dispensed quickly and without interruption to keep the flow. The compressed refills are fast to fill, can be topped up at any time and are easy to store and transport, enabling staff to focus on cleaning, not refilling.

Why Tork PeakServe Continuous Mini Hand Towel Dispenser ?

- › Extra slim design: Attractive and space saving.
- › High capacity: less maintenance and reduced risk of paper shortage.
- › Taking a towel is always smooth and easy with our patented continuous hand towel system.
- › Top up with hand towels when it suits you. More flexibility means more time to clean.
- › Towels served in 3 seconds for a better washroom flow with no hold ups for guests.
- › Compression means 250% more hand towels, preventing unexpected run outs – compared to Tork Universal refills and Tork Xpress Multifold Hand Towel dispensers.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .

we accept no responsibility for damage caused through improper use of the product .
