Country of origin	Germany

Tork PeakServe Continuous Hand Towel Dispenser is the latest innovation designed for high-traffic washrooms where staff needs to maximize cleaning time and maintain a good flow of people. Compatible with Tork PeakServe Continuous hand towels, the system has a very high capacity of over 2100 towels, which can be dispensed quickly and without interruption to keep the flow. The compressed refills are fast to fill, can be topped up at any time and are easy to store and transport, enabling staff to focus on cleaning, not refilling.

Why Tork PeakServe Continuous Hand Towel Dispenser – Black ?

- › Top up with hand towels when it suits you: more flexibility means more time to clean.
- › Compression means 250% more hand towels, preventing unexpected run outs – compared to Tork Universal refills and Tork Xpress Multifold Hand Towel dispensers.
- › Towels served in 3 seconds for a better washroom flow with no hold ups for guests.
- › Taking a towel is always smooth and easy with our patented Continuous hand towel system.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .
