Tork Gel Hand Sanitizer, with 70% (w/w) denatured alcohol effectively kills microorganisms to help prevent the spread of infections. Effective against a variety of organisms, including enveloped virus. Ideal for everyday hand hygiene. The formula contains moisturising ingredients for a pleasant hand-feel.

#### Why Tork Gel Hand Sanitizer ?

- › Certified effortless maintenance and intuitive refilling in less than 10 seconds.
- › Use biocides safely. Always read the label and product information before use.
- › Conforms with EN 1500 and EN 14476 (all enveloped, such as HIV, SARS Corona, HBV, HCV, Influenza H1N1 and H5N1, etc.).
- › Moisturising ingredients encourage good hand hygiene behaviour.
- › Stable enough for both manual and sensor dispensers.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .

we accept no responsibility for damage caused through improper use of the product .
