#### Why Oxygen-Pro Air Freshener Bloom – Regular Cartridge ?

- › The Regular cartridge works for 30 days and is the ideal choice to replace aerosols, gels, sprays or other passive systems.
- › The cartridge contains 20 ml of pure fragrance oil which amounts to about 4 times more fragrance oil than a standard metered aerosol can.
- › Safe: with no added solvents and no alcohols, the Oxygen-Pro cartridges contain 100% pure fragrance oil and are a safe choice for any facility. Since the cartridges are not pressurized containers, they are safe to transport and store.
- › Eco-Friendly: the Oxygen-Pro system does not contain any CFCs, has no added VOCs or propellants, no 'spray and fade effect' and 'no noise'.

Intercare Washroom & Hygiene guarantees the quality of the product . Its application recommendations are based on the test and practical experience .  
we accept no responsibility for damage caused through improper use of the product .
