Professional 701

Wet & Dry

The Intercare Professional 701 carries the highest rating in Wet & Dry vacuuming technology.

Equipped with a sturdy 78-liter capacity tank and a secure, durable tipping trolley, the Professional 701 model has been specifically designed to perform effortlessly and efficiently when being used on either a wet or dry surface - rough or smooth.

The exceptional suction power of the Professional 701 makes this vacuum cleaner the ideal choice for any cleaning expert. Its triple suction motors give it the highest suction rating in the entire industry to meet any application.
